

Foresight Magazine

Published bi-monthly and free to Nationwide Agribusiness customers, **Foresight** magazine provides practical articles that focus on helping customers minimize losses and improve the overall safety culture of their businesses with accurate and timely safety/health, risk management, and regulatory information. It also provides insight into issues surrounding the insurance industry in general, as well as information on Nationwide Agribusiness's products and services. With clear illustrations and easy-to-understand ideas and suggestions, you can't afford to miss a single issue.

AgLiving Newsletter

AgLiving is published three times a year for the farm and ranch customers of Nationwide Agribusiness and Allied Insurance, the nation's leading farm insurer. Articles promote safety on the farm, showcase the companies' products, their claim and loss control services, and offer consumer tips to help producers implement effective risk management strategies for their farm businesses.

"Safety is something you just can't put a price tag on."
